If you want to play College Basketball then you need to be exposed to America's Colleges and Universities. Since 1988, over 4500 student athletes have benefited from IBN publisher Reggie Tisdale's one day showcases. Most notable participants include former and current NBA players Greg Graham, Bryce Drew, Rodney Carney, Courtney Lee, Lee Nailon, Bobby Simmons, Andre Owens, Zach Randolph, Eric Gordon, Greg Oden, and George Hill.

Showcase participants receive a t-shirt, skill development clinic, 3 games, lunch a written developmental plan profiles/video tape available to all of America's Men's College Basketball programs and invites to Elite Camps.

"In my 20 years as a D1 Asst. Coach and now 5 year Head Junior College Coach, I have never attended better organized events or received more accurate prospect reports than what Reggie Tisdale organizes and produces!"
